OUR BRAND STORY

A taste of home, wherever home may be

Food has the power to bring back memories of home, family, and moments shared around the table. Founded in Dubai in 2021, Vkusno began with a simple idea: to bring the familiar taste and warmth of home-style Russian cooking to the city.

Rooted in family recipes and Russia's rich culinary heritage, the brand has grown into a multi-location food business serving authentic, comforting cuisine through delivery, pickup, and relaxed self-service dining. Created with Dubai's Russian-speaking community at heart, Vkusno also welcomes the city's wider audience to discover the richness of Russian cuisine.

Tradition in every bite.
